

YES! IELTS e-Course for IELTS Writing Task 2

Course Outline

Tutorial 1

Introduction of the 5-step approach to managing time in IELTS Writing Task 2. Learn about and practice Step 1 and Step 2 which are essential for Task Response.

Tutorial 2

A review of Steps 1 - 5 and completion of guided, semi-guided, and independent practice of Step 3, which promotes successful results in Task Response and Coherence and Cohesion.

Tutorial 3

Timed practice of Steps 1 – 3, followed by your first essay.

Tutorial 4

Timed practice of Steps 1 - 3. Then honing skills in Step 4 by looking at ways to successfully improve coherence and cohesion.

Tutorial 5

Essay 2 - putting the skills learnt in Tutorials 1 - 4 into practice.

Tutorial 6

Further practice of Step 4, describing how to develop further skills in coherence and cohesion. Content includes topic sentences and essential grammar structures to achieve highly grammatical range and accuracy. This is followed by Essay 3.

Tutorial 7

Continuation of essential grammar structures and vocabulary for success in Step 4, and putting these into practice in the fourth essay.

Tutorial 8

Further investigation of Step 4, namely using idioms and collocations to enhance Lexical Resource. Inspection and practice of Step 5. Essay 5

Tutorial 9

Looking at the Account type essay and putting everything together to practice all 5 Steps.

Tutorial 10

Writing introductions and conclusions. Detailed information about presentation skills in IELTS writing. Timed practice of all 5 Steps for Essay 6.
